

The Future Of **EDUCATION** Summit

Bundaberg, Queensland

28th March 2025 | Bundaberg, QLD

The Future of Education Summit has been designed to empower educators, innovators, and workforce shapers as we explore how we can prepare our next generation for the ever-changing future.

Coming to Bundaberg in 2025, the Future Of Education Summit will provide regional educators with new ways to engage students, scale their impact, and collaborate with peers across Queensland. As a satellite city of the National Summit in Brisbane, Bundaberg's event will be uniquely designed by and for regional educators.

Summit Themes

Over the course of the summit program, attendees will be hearing from a diverse range of speakers with the program carefully curated around the following themes:
